The article may profile an outstanding individual/group who has made a significant contribution to making Niagara an age-friendly community or profile an organization that is doing so. It may also connect to an upcoming or past event in Niagara, eg Senior Citizens Month, National Nutrition Month, etc. while every effort will be made to submit the article for publication in a timely fashion, articles should not be written as pre-event promotion.

Articles must be submitted using the attached template. Maximum number of words: 250
