

## International Students at Brock University

Brock's total student population in the current 2014/15 academic year has reached 18,825. Brock has a total of 2408 international students, including ESL, Undergraduate and Graduate, as of September 17/14.

The top 10 countries from which Brock's Undergraduate and Graduate student populations originate are:

CHINA	1197
BRAZIL	113
GERMANY	69
NIGERIA	55
INDIA	52
SAUDI ARABIA	47
GHANA	32
UNITED STATES	25
BERMUDA	24
AUSTRALIA	21

In 2008, a policy change was made to the Canadian Post Graduation Work Permit that made it more accessible to graduating international students. Additional information on this can be found on the [Immigration Canada](#) website.

Of the 265,377 international students in Canada, 42% are in Ontario. (Click [here](#) for more information on statistics of International Education and a breakdown of provincial information.)

Specific to the Niagara Region, international students have significant cultural and economic impacts on the region. International students not only culturally enrich our communities but also bring millions into the local economy each year.
